AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Responsive to the Office action of September 25, 2001, please amend as follows:

RECEIVED

MAR 05 2003

GROUP 3600

Change the title to:

--METHOD AND APPARATUS OF OPENING AND CLOSING A BI-FOLD DOOR--.

IN THE SPECIFICATION

Page 7, lines 22 to 24, cancel "As seen in Figure 11, ... around member 77."

IN THE CLAIMS

1. (Twice Amended) A method of opening and closing an opening in a structure with a bi-fold door having first and second panels, means movably mounting the first panel on the structure, hinges connecting the first panel to the second panel to allow the first and second panels to be moved from generally vertically aligned positions closing the opening to side-by-
